

General Maintenance Auto Technician/Mechanic (Tacoma)

Compensation: **Hourly - Production Commission**

Employment type: **full-time**

We are currently looking for a General Maintenance Automotive Technician. Can you do tire work? Can you do maintenance services on LT and Autos? Do you have an understanding of maintenance needs? Do you have at least one (1) year experience in this field? If so, I want to hear from you.

Min one (1) year experience in automotive repair/maintenance service

Must have own tools

Familiarity with automotive repair equipment (lifts, jacks, air tools, tire equipment, etc.)

Understanding of vehicle maintenance needs

Verifiable references/work history

Possess a valid driver's license

Have a good driving verifiable record

We offer consistent days off, vacation and holidays pay and additional benefits. These will be discussed in an interview.

Good earnings potential for the right individual -- this is not a flat rate shop -- starting wage is hourly and after 90 days employment additional earnings are available, depending on progress in the job.
