DUNLOP

DRIVERS KNOW:

Dunlop® SP Sport® Signature™ Roadside Assistance

In the event of a flat tire, you must call the number below and a qualified service professional will replace your flat tire for you with your inflated spare.

For all other product or customer service inquiries, contact your Dealer.

1-800-999-9460

ACCT. #690033

If you do not carry an inflated spare, and towing and/or other service is necessary, you will be solely responsible for any charges incurred.

The service professional will ask to see this card.

Please visit www.dunloptires.com/roadside for complete details.

DUNLOP® SP SPORT® SIGNATURE™: **THE CONFIDENCE OF 24-HOUR** **ROADSIDE ASSISTANCE**

Your Dunlop SP Sport Signature tires give you much more than an all-season high-performance ride. They also give you the confidence that comes with Dunlop's 24-hour Roadside Assistance.

In addition to the performance, traction and comfort you expect from Dunlop, the Dunlop SP Sport Signature tires also deliver the added value of emergency Roadside Assistance for flat tire-related problems. It's a service we hope you'll never need, but it's easy to use if you do. Here's how it works.

- Completely fill out this card before you leave your Dunlop tire Retailer. Store this card and receipt in your vehicle with other important documents, where it will be immediately accessible in the event of an emergency.
- This Roadside Assistance service is in effect for twenty-four (24) months from the date of the original purchase. It is only good for the first owner of the Dunlop SP Sport Signature tires as long as they are properly fitted to the same original passenger vehicle for which they were purchased.
- In the event of a tire-related emergency, regardless of where you are in the United States or Canada, simply call the nationwide toll-free number: 1-800-999-9460 Account #690033. A qualified service professional will promptly be dispatched to your location to change your flat tire with your inflated spare at no charge. **Theft, vandalism and accident-related incidents are not covered.**
- No payment for this tire changing service is required. That means there will not be any outlay of funds or forms to file for reimbursement later except as described below.
- Simply show your Roadside Assistance card when requested and sign as directed. The Dunlop Roadside Assistance representative will be happy to provide the covered service free of charge.
- If your Dunlop SP Sport Signature tire needs replaced, but your vehicle must be towed because no serviceable spare tire is available, the cost of such additional services is the sole responsibility of the Dunlop SP Sport Signature tire owner.

The traction, consistent tread wear, and wet and dry performance that are the hallmarks of the Dunlop SP Sport Signature tire are now enhanced by complimentary Roadside Assistance. The extra confidence this provides is exactly the kind of superior value you can only expect from Dunlop.
